ORDER RE STATUS

11 v.

12 CHEVRON PRODUCTS CO,
13 Defendant.
14

15 The Court is in receipt of the parties' Updated Joint Case Management Statement, filed May
16 14, 2009. (Dkt. #13.) Upon review of the parties' statement, the Court agrees that it is premature to
17 schedule a trial date. However, the parties give no indication of requested deadlines for pretrial
18 matters such as discovery and dispositive motions. Accordingly, the parties shall continue to
19 proceed with the discovery addressed in their statement, and shall file a joint status report by June
20 18, 2009. In their report, the parties shall include proposed discovery and dispositive motion
21 deadlines, and they shall also state whether it would be beneficial to participate in a further
22 settlement conference given the progress with the discovery in this case.

23 **IT IS SO ORDERED.**
